

1st EUI ECO PhD Workshop

20–21 June 2023

European University Institute, Villa La Fonte, Italy

Call for Papers

Submit by 15 March 2023

Dear PhD Students,

The European University Institute (EUI) is happy to invite you to submit your papers for the 1st EUI ECO PhD Workshop. The workshop will take place on **June 20th and 21st 2023** at the EUI's Department of Economics in **Fiesole, Italy**.

We encourage the submission of papers from all fields (Macro, Applied Micro, Theory), with a particular focus on this year's broad theme: "**Social Mobility and Inequality**".

The deadline to submit is **March 15th 2023**. Each submission will be evaluated by a scientific committee consisting of EUI Economics PhD students. We will communicate acceptance decisions by **April 14th**.

To maximize feedback and networking among participants and the EUI student body, the workshop is planned as a focused **1.5-day event** with no parallel sessions. Presentations are scheduled for **30 minutes + a 10-minute discussion** by an assigned EUI Economics PhD student who is working on related topics.

There are no workshop fees. Lunches as well as a conference dinner are provided. We are moreover happy to announce that we will be able to provide a financial contribution of 200€ towards accommodation and travel costs for each participant.

To submit, please send us an e-mail with your **full paper** to EUI-PHDworkshop@eui.eu. Feel free to use the same e-mail address for any further questions you have concerning the workshop.

We look forward to receiving your applications.
