

Digitalisation and the Future of Higher Education

Emerging trends shaping education
in the post-COVID world

3 June, 5:15-6:45pm CET
Online & open to all

Register now>>

In this online CIVICA dissemination conference, policymakers, theorists, practitioners and students will come together to reflect on the impact of the digital transformation on the present and future of universities. Drawing

on experiences with digitalisation in academia at local, national or European level, participants will explore the potential of recent innovations to advance education and discuss concrete steps to implement this vision.

Speakers

Isidro Laso Ballesteros, Cabinet Expert, Commissioner Mariya Gabriel

Mark Hallerberg, Acting President, Hertie School

Vanessa Scherrer, Vice President for International Affairs, Sciences Po

Anke Hassel, Professor of Public Policy, Hertie School

Dilly Fung, Pro-Director for Education, London School of Economics

Hilda Hardell, third-year bachelor student, Stockholm School of Economics

Leonardo Caporarello, Professor, Delegate Rector for E-Learning, Bocconi University
