

STUDENT ENGAGEMENT FUND - APPLICATIONS 26/27

IMPORTANT INFORMATION FOR HERTIE STUDENTS

We are delighted that you are interested in co-creating a project with other students within the CIVICA alliance for the Student Engagement Fund. Before getting started we'd like to highlight the important rules and deadlines here at the Hertie School:

1. You must partner with students at at least one other CIVICA partner. You can find information on the clubs at other CIVICA partners [on my.civica.eu](https://my.civica.eu).
2. Please carefully read the supporting documents provided and familiarise yourself with the requirements:
 - [Application Form](#)
 - [Project budget form](#)
 - [Call for proposals](#)
 - [FAQs](#)
 - [Student Engagement Fund Regulations](#)
3. For your project proposal to be considered, you are required to get pre-approval of the initiative and the planned budget from Hertie's SEF Coordinator.

The internal Hertie deadline for pre-approvals is: 3 November 2026

Only with written pre-approval from each participating partner university are you then eligible to upload your final proposal on my.civica.eu by 10 November 2026.

To receive the pre-approval and clarify any questions, please reach out the SEF Coordinator at Hertie ahead of the internal deadline. → Sarah Lawton-Görlach, lawton@hertie-school.org

The CIVICA logo is printed in blue capital letters on a light-colored fabric. To the left of the logo, there is a yellow graphic illustration on the same fabric, depicting several stylized human figures in various poses, some holding objects like a globe or a gear, and others standing near geometric shapes like cubes and cylinders.
